ACT ONE

FADE IN:

EXT. PLANET ROCK - OUTSIDE
THE BATTLE-SCARRED PALACE

The leaders of the Alliance and the people of Rock gather for KING MANTEL's funeral rites. Mantel lies in state upon a tall pyre. Our principals in attendance are GRAVEHEART, JADE, PYRUS, CRYOS, ZERA, FEMUR and TEKLA (with VOXX). Any others can be added if desired. Graveheart addresses the crowd.

GRAVEHEART (AMPLIFIED)
(1) We are gathered today to honor Lord Mantel of Rock, who sacrificed his life defending his world.

The drum beats and Graveheart grabs the ceremonial flame.

FEMUR
(sotto)
(2) Who died in the process of betraying his pals, Y'mean.

PYRUS
(sotto)
(3) Y'know, it's not just his betrayal that burns me.

TEKLA
(sotto)
(4) Yes. The deception runs deeper, and more painful by far.

Tekla gives Jade a long look. Jade averts her eyes.

TEKLA (cont'd)
(sotto)
(5) But the Alliance can never know the truth. It would shatter the bonds that bind them.

CRYOS
(sotto)
(6) Given the circumstances, this discussion seems...inappropriate. Can it continue later?

GRAVEHEART
(amplified)
(7) As we ignite the pyre which will return him to the dust, let us never forget --

As the pyre blazes to life, we see Rock Guards ceremoniously give their fallen King a 12 gun salute.

GRAVEHEART (VO) (cont'd)
(8) -- the importance of a single life, be it commoner or king, in the struggle for freedom.

We stop on a quiet area on the other end of the city.

INT. PLANET ROCK - STREET CORNER

Three Rock citizens watch the ceremony, their backs are to us, they are unaware of the shadow that falls across them as Mantel's funeral continues on screen.

GRAVEHEART (FILTERED)
(cont'd)
(9) Now, let us bow our heads in a moment of silence for the bravest of kings.

BLOKK (OS)
(10) Bravery, Hah!

The three spin around to see BLOKK standing behind them.

BLOKK (cont'd)
(11) He died a coward's death. And I should know. I destroyed him.

The three gasp in fear as Blokk raises his arm.

BLOKK (cont'd)
(12) Just as I will destroy you.

Blokk swings his arm down. The Rock people's SCREAMS are cut short. Satisfied, Blokk looks at the holoscreen ands sees Graveheart with his head down in a moment of silence. His anger builds again, and again, he raises his arm to strike.

BLOKK (cont'd)
(13) Just as I will destroy the Alliance. But to do that...

Blokk swings his arm again, destroying the holoscreen.

BLOKK (cont'd)
(14) Graveheart must die!

WIPE TO:

INT. PLANET ROCK - MANTEL'S THRONE ROOM

Our heroes gather in Mantel's chambers. Femur cocks an eyebrow at Graveheart.

FEMUR
(15) Well, after today I got no doubts about you being a stonemason, Rocko. You sure laid it on with a trowel.

Graveheart narrows his eyes as Femur continues.

FEMUR (cont'd)
(16) Mantel was good. Mantel was brave. You ask me, Mantel was just a cheap chiseler who sold us all down the -- ulp!

Femur's tirade is cut short as Jade grabs him.

JADE
(17) Be silent!

TEKLA
(18) You are not without complicity in this, Jade.

FEMUR (CHOKED VOICE)
(19) What she said! What she said!

Jade puts Femur down and gives Tekla a cold hard stare.

JADE
(20) Go ahead, speak your mind. Something's obviously been bothering you.

Pyrus jumps into the argument

PYRUS
(21) We have nothing to say to you, Jade... not now, or ever again!

ZERA
(22) That goes double for me!

Cryos jumps in to correct his daughter.

CRYOS

(23) Zera, you apologize this instant.

ZERA
(defiant)
(24) I will do no such thing.

CRYOS
(25) What is the matter? What were you so concerned about during the ceremony?

Tekla shoots Jade a cold look. Graveheart watches carefully as the events unfold.

TEKLA
(26) Why don't you tell him, Jade? Tell him how you betrayed our trust and gave the Alliance defense codes to Lord Mantel.

ZERA
(27) With Graveheart gone, Mantel wanted control of the Alliance and, with your help, he got it.

PYRUS
(28) We nearly died!
(pointing at Jade)
All because of you!

TEKLA
(29) What was your price? What was the price of betrayal?

Jade stares at them in stony silence, then hangs her head in shame.

INT. PELVUS' ROOM

Pelvus is alone in his room. He is staring at a crown sadly. He goes to put it inside a big chest.

PELVUS
(sadly)
(30) Oh well, at least I got to be emperor for a day.

As Pelvus closes the chest, he doesn't see a SHADOW fall over him.

PELVUS (cont'd)
(31) With Femur back, life can't get much worse.

STERNUM (OS)

(32) Unfortunate you feel that way.

Pelvus SCREAMS and jumps straight into the air, landing in front of Sternum. Sternum points a weapon right at him then lets a slight smile slip, as he slowly puts the gun down.

STERNUM (cont'd)
(33) Ever the coward, eh, Pelvus? No wonder Femur's throne is secure.

Pelvus is so scared he can barely speak.

PELVUS
(terrified, stammering)
(34) St-st-st-sternum.

STERNUM
(35) How nice to know you still remember me.

Pelvus tries to regroup.

PELVUS
(36) Is there anything I can get you, your impressiveness?

Sternum stands menacingly over Pelvus.

STERNUM
(37) Your life, my throne, but for now, I will settle for some cannolis.

PELVUS
(38) Cannolis?

STERNUM
(39) Yes. It's the one vice my idiot brother and I share.

Sternum turns to leave as he tosses Pelvus's Femur doll on the floor.

STERNUM (cont'd)
(40) Bring them to me. And when you do, I want you to tell me all about this so-called Alliance...its strengths and weaknesses.

CLOSE ON STERNUM - smiling enigmatically.

STERNUM (cont'd)
(41) One never knows when such information might come in handy.

Sternum leaves and Pelvus faints.

INT. PLANET ROCK - MANTEL'S THRONE ROOM

PYRUS
(42) Well, Jade, what do you have to say for yourself?

JADE
(43) I don't have to answer to you, Pyrus. I don't have to answer to any of you.

Jade turns to walk off. Graveheart calls to her.

GRAVEHEART
(44) Jade! Wait!

PYRUS
(45) Graveheart! You can't be serious. She betrayed you! She betrayed us all!

GRAVEHEART
(46) I know.

TEKLA
(47) You know? But how?

GRAVEHEART
(48) Jade told me...just before the ceremony.

ZERA
(49) But why? Why did she do it?

Everyone turns to Jade, but she still ain't talking.

GRAVEHEART
(50) It was the only way she could get Mantel to use the Battle-Moons in our fight against Remora.

Graveheart looks to Jade with respect.

GRAVEHEART (cont'd)
(51) Besides, she was his Captain of the Guard. Her loyalty was to her king.

Pyrus nods. He understands the importance of that statement.

ZERA
(52) Is...is that true?

JADE
(53) His Battle-Moons. Our survival. My honor. I had no other choice.

CRYOS
(54) Wars are filled with difficult choices. Only the strongest will stand by their decisions and accept the responsibility.

Uh oh, looks like Graveheart is getting ready for another Graveheart moment.

GRAVEHEART
(55) Exactly. That's why I want to propose Jade as the next ruler of Planet Rock.

TEKLA
(56) What? You can not be serious!

JADE
(57) I do not want the job!

FEMUR
(58) And we don't want you to have it, toots! Where are you going with this, Rocko?

GRAVEHEART
(59) Think about it. She has the respect of the quarriors and the people. They need a leader and she's a perfect fit.

JADE
(60) I can think of a better one. You.

GRAVEHEART
(61) Oh, no. Not a chance. Who am I to rule?

JADE
(62) You are everything that I am not.

Cryos puts his hand on Graveheart's shoulder.

CRYOS
(63) You are too valuable to all the planets of the Alliance to take on the additional responsibilities of royalty, my friend.

Graveheart looks to Jade

GRAVEHEART
(64) You heard him...

Graveheart walks up and puts his arm on her shoulder.

GRAVEHEART
(65) So what do you say Jade, do you want to be leader of Planet Rock?

FADE OUT.

END ACT ONE

ACT TWO

FADE IN:

INT. PLANET ROCK - BEDROCK CHAMBER

Jade and Graveheart stand outside the massive doors which lead to the Bedrock Chamber. Zera, Cyros, Pyrus, Femur and Tekla watch from the distance. Two ROCK GUARDS begin to pull the doors open.

FEMUR
(66) I can't believe it! She's actually going to go through with it...whatever it is.

Cyros is obviously annoyed with Femur.

CRYOS
(67) All who would sit the on throne of Rock must face a ritual called the Foundation of the Soul.

Cryos points to the chamber.

CRYOS
(68) In there she will face and defeat her demons or be destroyed by them.

FEMUR
(69) Boy, that's strict! What ever happened to whack a guy and take his place? On my planet --

ZERA
(70) SHHHHHHHH. It's starting.

Push into Graveheart as he stands before the huge opening doors.

GRAVEHEART

(71) This is it. The Foundation Chamber. The crucible where kings are made.

JADE
(72) Or broken. I never thought I'd walk the Stony Path. If I fail, Graveheart --

GRAVEHEART
(73) You won't fail.

Jade puts a finger to Graveheart's lips.

JADE
(74) Of course. But if I do, you must take the throne.

GRAVEHEART
(75) It won't happen. I'll see you when you get back...your Majesty.

Jade smiles as she approaches the doors. When open, they reveal a small windowless room with a single chair (a mate to the Rock throne). She enters and seats herself on the throne.

JADE'S POV

Graveheart stands outside the chamber.

Before the doors slam shut, Jade sees the concern on Graveheart's face and she looks equally as worried.

INT. PLANET ROCK - WORLD ENGINE CHAMBER

A group of QUARRIORS work within the world engine. The engine is alive and humming but it has suffered damage at the hands of the Beast Drones. CAPTAIN FELDSPAR is leading the team. One soldier walks up and throws him a salute.

ROCK SOLDIER
(77) Captain Feldspar, all sectors have reported in. The remaining Beast Drones have been contained and eliminated. Planet Rock is secure.

FELDSPAR
(78) That's good news, soldier, and cause for celebration.

The telepod crackles to life as Blokk materializes in the chamber.

BLOKK
(79) The only thing you have to celebrate is your own death.

Feldspar swings into action.

FELDSPAR
(80) Intruder! Open fire, men!

Before the Quarriors can react, Blokk tears into them. It is a short but vicious battle.

BLOKK
(81) Who needs the Beast Planet! I can destroy you all myself!

Feldspar was knocked down by the stray laser from one of the guns. He is the only one left. Blokk walks up to him.

FELDSPAR
(82) Go ahead. Finish it.

Feldspar readies himself for the death blow.

BLOKK
(83) No. You are not worth the effort, little man. It is Graveheart I want and you will bring him to me...

Blokk shatters his fist through the World Engine.

INT. PLANET ROCK - BEDROCK CHAMBER

Jade abides in darkness, waiting for something to happen.

JADE
(85) Perhaps the test seeks to bore me to death.

A dim, sourceless light appears and slowly grows brighter, illuminating her and allowing us to see that she is still sitting on the throne, which floats in an empty void.

JADE (cont'd)
(86) Hmmm...

Stars blaze to life around her, blinding her in their glare.

JADE (cont'd)
(87) Ahh!

When her eyes recover, she is hurtling through lights and sounds. Jade finds herself encircled by her allies. When the figures speak, their faces are projected on the cosmos, huge and distorted.

GRAVEHEART
(88) She seeks to wear Rock’s stony crown.

CRYOS
(89) The better to betray us.

JADE
(90) I....

Jade is in an empty void with their accusing faces looming over her.

FEMUR
(91) So quick to slap an ally down.

CRYOS
(92) Again for fools you’d play us?

JADE
(93) No...

ZERA
(94) I see your mind, so red with rage.

PYRUS
(95) All lesser warriors disgust her.

TEKLA
(96) No victors in the war she’d wage.

GRAVEHEART
(97) She lies to those who trust her.

ALL
(echoing)
(98) She lies to those who trust her. She lies to those who trust her. She lies to those who trust her!

JADE
(99) Nooooo!

Jade is spinning out of control in her own mind.

INT. PELVUS’ ROOM

Pelvus is once again alone in his room. On a far table sits a tray of Canolis. He is deep in thought, staring at a blaster. He does not hear Femur enter.

FEMUR
(100) So how's it hangin', Pelvus? Miss me?

Pelvus SCREAMS and jumps ,he fires the blaster into the cannoli's.

FEMUR
(101) A blaster? What's that, my welcome home present?

Pelvus turns to Femur and looks genuinely scared.

PELVUS
(102) Yes, it is for you, to defend yourself against, you know...
(gulps, then whispers)
...Sternum.

Femur gets serious. He is stroking his little plant baby which he got in Ep.20.

FEMUR
(103) Sternum was here? What did he want?

PELVUS
(104) Well, he said he wanted canolis, but I think he's really after control of the Alliance.

FEMUR
(105) Do you think that's <u>all</u> he wants?

PELVUS
(106) Oh no, your obtuseness, I'm sure he wants us dead!

Femur walks over and looks at the canolis.

FEMUR
(108) He said he forgave me.

Pelvus is exasperated.

PELVUS
(incredulous)
(109) And you believe him?!?

Femur is ignoring Pelvus.

FEMUR
(110) Back on the prison planet Sternum could of frigid me at anytime, but he didn't.

Pelvus is in shock.

PELVUS
(111) Well what does that have to do with anything!

Femur plays with a cannoli. Pelvus kicks one at him.

FEMUR
(112) It means my fragile friend, I believe him. I believe he's changed and maybe its time I turned over a new leaf as well. Lets go see my brother...together.

PELVUS
(112a) Will you still take the blaster?

Pelvus is still shook up from seeing Sternum and doesn't believe he's a changed man.

FEMUR
(112b) Leave the blaster, take the cannolis.

INT. PLANET ROCK - MANTEL'S THRONE ROOM

Cryos is standing with Zera and Pyrus when Tekla appears on the monitor.

TEKLA
(128) Cyros! Something has gone wrong!

CRYOS
(129) What now?

TEKLA
(130) Our Planet has gone off course and, when I tried to contact the engine room, there was no answer.

Cryos tries to make contact with the Engine room.

CRYOS
(131) That cannot be. Perhaps there is something wrong with your commlink.

But, before Cryos can call, Feldspar's voice is heard.

FELDSPAR (VO)
(132) This is Captain Feldspar. I have a message --

Before Feldspar can say anything else he SCREAMS for the final time. Then Blokk appears.

BLOKK
(133) And the message is death. You have only one chance for survival...

CLOSE ON BLOKK

BLOKK (cont'd)
(134) Give me Graveheart or I will crash this planet into the nearest star.

We see a flaming star heading right for Planet Rock.

INT. PLANET ROCK - BEDROCK CHAMBER

Jade floats in space. The faces of her allies loom accusingly over her.

ALL
(113) She lies to those that trust her!

JADE
(114) Nooooo!

Graveheart (apparently the real one) flings open the door to the Chamber, snapping the room into reality. All the images of the others instantly disappear.

GRAVEHEART
(115) Jade! I heard you scream.

Jade is gasping on the throne as Graveheart approaches her.

JADE
(116) I...I failed the test. I am not worthy to sit on the throne.

Graveheart helps Jade to her feet.

GRAVEHEART
(117) That's what you think, huh?

Jade hangs her head in shame.

JADE

(118) That's what I know. That's how I've been judged. Unworthy.

GRAVEHEART
(119) Tough test. What does it take to make the grade? Courage? You're the bravest warrior I've ever known.

Jade looks up at Graveheart.

GRAVEHEART (cont'd)
(120) Determination? You've got that, all right.

A bit of the fire returns to Jade's eyes.

GRAVEHEART (cont'd)
(121) Almost to the point of ruthlessness, actually.

Jade reacts to this assessment.

JADE
(122) Well, I wouldn't go so far as --

GRAVEHEART
(123) Self confidence? You've got it! I'd even go so far as to say you're arrogant!!

JADE
(124) What? Graveheart --

GRAVEHEART
(125) Who'd you think you were fooling, pretending you were fit to rule? You're headstrong and brutal, and worst of all...you betrayed us, Jade.

Graveheart sits on the throne, testing the fit.

GRAVEHEART (cont'd)
(126) Maybe I should give it a shot, after all.

Outraged and confused, Jade heads for the door (which has managed to close while nobody was looking).

JADE
(127) This is my chance, my choice, and if you've changed your mind, get out --

Jade opens the door to kick Graveheart out, revealing a horde of BEAST DRONES who BLAST Graveheart where he sits, killing him instantly.

FADE OUT.

END ACT TWO

ACT THREE

FADE IN:

EXT. PLANET ROCK - OUTSIDE THE PALACE

Rock Guards notice that the star is growing ever closer to their planet.

INT. PLANET ROCK - BEDROCK CHAMBER

Jade stares at the smoking charred spot where Graveheart's broken body had been imploded.

JADE
(135) Graveheart. No.

The Drones begin to enter the Chamber, and Jade begins to destroy them. She FIRES her sidearm until it's depleted, then roaring with defiance, she activates the forcefield generator on her belt and leaps into the black horde crowding the door.

JADE (cont'd)
(136) Nooooo! (defiant roar)

Her body disappears into the tangle of null-energy, and suddenly Jade is tumbling through the void, past the floating circle of her comrades, finally landing in the empty throne before them. Their giant faces seem more benign than before.

JADE (cont'd')
(137) What? How..?

GRAVEHEART
(138) Only through the death of all,
can one accept the royal call.

GRAVEHEART
(142) That is Rock:

PYRUS
(143) Hard.

ZERA
(144) Enduring.

TEKLA
(145) Stone.

GRAVEHEART
(146) Now you may ascend the throne.

The void SHATTERS into ebony fragments, and Jade sits tired but triumphant on the throne.

CUT TO:

INT. PLANET ROCK - MANTEL'S THRONE ROOM

The room is dimly lit with emergency lights flickering. There is a hologram tracking Planet Rock as it heads toward a nearby sun.

TEKLA
(148) It's true. Blokk is going to steer this planet into the heart of that star.

PYRUS
(149) Then we've got to stop him! I've done it before and I'll do it again.

ZERA
(150) As have I.

Cryos steps in to stop the bragging youngsters.

CRYOS
(151) You will do no such thing.

They look to Cryos.

CRYOS
(152) If it is Graveheart Blokk wants, then it is Graveheart Blokk will get.

The kids are stunned by Cryos' words.

CUT TO:

EXT. PLANET ROCK - BEDROCK CHAMBER

Graveheart watches as the chamber door opens. Jade looks more beautiful than ever. She exits, very majestic.

JADE (cont'd)

(153) Now I rule Rock.

Graveheart allows himself a tight smile, falls to one knee and bows.

GRAVEHEART
(154) Congratulations, your Majesty.

JADE
(155) Call me Jade. And stop kneeling. It's embarrassing.

Graveheart gets up, still holding back a smile.

GRAVEHEART
(156) Whatever you say...your majesty.

Before Jade can reply, Cryos enters. He is rushing to Graveheart, but when he sees Jade he stops dead in his tracks and falls to one knee.

JADE
(157) Now don't you start.

Cryos composes himself.

CRYOS
(158) Would that we had time to celebrate, but unfortunately we do not.

Cryos turns to Graveheart.

CRYOS
(159) Blokk has taken control of the World Engine and will steer this planet into a star unless you surrender to him.

Graveheart thinks for a moment, pulls the force field generator off his belt and stares at it.

GRAVEHEART
(160) Well if it's me he wants, let's not disappoint him.

Jade frowns an looks at his forcefield generator.

JADE
(161) Is that your plan?

GRAVEHEART (cont'd)
(162) Yes, This has to end now. Besides, if I don't do something, there won't be any Rock for you to rule.

INT. PLANET ROCK - WORLD ENGINE CHAMBER

Blokk is watching the hologram of the planet heading toward the sun. He is pleased with himself.

BLOKK
(170) Finally, my revenge against these Alliance fools will be complete. Now they will know the true power of Blokk.

GRAVEHEART (OS)
(171) Tell me, do you enjoy talking to yourself?

Blokk turns to look at Graveheart.

GRAVEHEART
(173) You know, if this planet is destroyed, so are you.

BLOKK
(174) A small price to pay for your death.

GRAVEHEART
(175) I can’t let you do this.

BLOKK
(176) Then come and stop me, little man. I will enjoy putting you out of my misery.

GRAVEHEART
(177) Funny, I was just thinking the same thing.

And with that, Graveheart activates his forcefield and launches himself at Blokk and they go crashing into the far wall. The room shakes from the impact.

As Graveheart and Blokk exchange blows, Tekla and Cryos rush in and begin to work the controls, trying to regain control of the Planet’s trajectory. Voxx floats around doing something to make Phil happy.

CRYOS
(178) We must get these systems back online.

TEKLA
(179) And we must do it quickly, before we are caught in the star’s gravitational field. Voxx, access the computer for all coordinates.

INT. PLANET ROCK - WORLD ENGINE CHAMBER

Graveheart is thrown against some machinery and recovers just in time to dodge a blast from Blokk.

BLOKK
(185) Stay still. Why prolong your agony?

GRAVEHEART
(186) The only thing painful about this is listening to you rant.

Graveheart picks up Blokk with his feet and flips into the wall, hard. Just then the engine room comes alive.

COMPUTER
(195a) World engine is back on-line and active.

TEKLA
(195) Main engines are back online

CRYOS
(into commlink)
(196) Jade. Command of the World Engine is now yours.

INT. PLANET ROCK - MANTEL'S THRONE ROOM

Jade snaps into action and flips the necessary buttons to make something happen.

JADE
(197) Computer, full reverse -- NOW!

INT. PLANET ROCK - WORLD ENGINE

The computer flashes to life.

COMPUTER
(198) Reverse engines activated.

EXT. PLANET ROCK - OUTSIDE THE PALACE

With great effort, Planet Rocks engines begin to thrust up and take the planet to safety.

INT. PLANET ROCK - WORLD ENGINE

Blokk goes flying as Graveheart continues to battle with him.

GRAVEHEART (cont'd)
(187) How many people have you killed? How many worlds have you destroyed? All in the name of the blasted Beast Planet.

Again, GH punches with force that sends him flying.

EXT. SPACE

We can see that the World engines have successfully maneuvered the Planet away from the Sun.

INT. PLANET ROCK - WORLD ENGINE

Graveheart prepares to finish off Blokk.

GRAVEHEART (cont'd)
(188) I'm sick of all the wars, all the fighting. This has to stop...now.

Graveheart goes for the death but slips from the rumbling of the world engines. Graveheart is dangling from a pipe hundreds of feet from the surface. Blokk closes in on Graveheart.

BLOKK
(192) With every loss I suffered at your hands, the Beast punished me terribly. Now, at last, it's payback time.

Suddenly, Graveheart pulls his force field generator off and punches it into Blokks chest.

GRAVEHEART
(193) I couldn't say it better myself.

Blokk stares at the FFG inside him.

Suddenly, the forcefield generator activates inside Blokk. He SCREAMS. Gravehearts fist is trapped inside Blokk as he now dangles over the edge. Suddenly, he begins to crackle with energy as GH is released and Blokk falls to his death. Blokk screams an evil sound and POOF....he is gone.

After the explosion dies down, Graveheart is spent, its vacation time.

INT. PLANET ROCK - MANTEL'S THRONE ROOM

Everyone is there for a festive occasion. Jade stands before her people and Graveheart kneels before her. The others watch from a distance.

JADE
(199) My people, once again our world has been saved through the unity of the Alliance and in particular, one man.

Jade looks down at GH . He doesn't move.

JADE
(200) It is time to correct a great injustice. As my first official act, I restore full citizenship to the miner Graveheart. I bid you rise with honor, Man Of Rock.

As GH stands, the crowd goes wild. He turns to face them.

GRAVEHEART
(201) And I promise you, your majesty, I promise you all, the days of war between our planets are behind us. From this day forward, our worlds will work together to forge a new and everlasting peace.

Close on Graveheart, looking relieved.

GRAVEHEART (cont'd)
(202) The threat of the Beast Planet is behind us forever.

Once again, the crowd goes wild.

EXT. SPACE

Fade into a shot of the BEAST PLANET on the other end of the galaxy, its maw open, moving in to kill another world, PLANET REPTIZAR. As per the first episode, a line is SUPERED across the bottom of the bottom of the screen, that reads: PLANET REPTIZAR (then, after half a beat is added:) ON DOOMSDAY.

And so it goes...

FADE OUT
